Dear President Masatsugu Hongo,

Warm Greetings from The Rotary Club of Petaling Jaya, District 3300.

Congratulations President Masatsugu Hongo, and your Board of Directors on your installation in this new Rotary year of 2020-2021.

In spite of global pandemics limiting travel, I truly believe we will still remain in close contact. We will all be driven to execute projects differently and we look forward to sharing our projects and hearing from you as well.

I have visited your club once. I am impressed and touched by your hospitality. Fate has it that as early as my Grandfather, we have had businesses dealings with Japanese firm. My family started a school in Taiwan and we have a sister school agreement with 昭和第一學園 at Tachigawa. I have always loved my visits to Japan and look forward to visiting you again.

We had hoped with our 60th anniversary to be able to throw a big party and smother our sister clubs in warmth and friendship. We shall closely monitor the pandemic and update you on all international events when it is viable.

President Masatsugu Hongo, I wish you a great and meaningful year ahead and pray for the safety and good health of all your members.

Yours In Rotary,

Victor Lee

60th President
